

Assignment CLO 2 – Effective Communication

Task 1: Tailor your CV to the Job Ad

You will create a **one-page CV** for the job given in class.

Your CV must be written **for this job only**.

Do not write a general CV.

You will submit **two pages** in **one PDF**.

The screenshot shows a web browser window with the URL 'JobsNow.ae'. The page displays a job listing for 'Junior Community Support Associate (Abu Dhabi)' by 'GulfCare Health Services'. The job is categorized under 'Consumer Services' and is a full-time, entry-level position located in Abu Dhabi, U.A.E. The 'About the role' section lists responsibilities such as monitoring community inbox, drafting response templates, updating FAQ content, logging user feedback, and escalating tickets. The 'What you'll bring' section lists requirements like clear written Arabic & English communication, empathy and problem-solving skills, strong time management, and basic familiarity with Excel and Google Sheets. A 'Nice to have' section mentions social media moderation, data entry accuracy, and shift flexibility. A sidebar on the right highlights 'Why you'll love it' with benefits like skills training, growth opportunities, and a collaborative team. It also lists 'What you bring' with specific skills like empathy, problem-solving, time management, and familiarity with Zendesk. An 'APPLY' button is prominently displayed at the bottom right. The footer indicates 'Equal opportunity employer'.

Part 1: Tailored CV (1 page)

Create a **one-page CV** for the job ad.

Your CV must include:

- Your name and contact details
- A short **Profile** (2–3 lines)
- **Skills** (6–8 points)
- **Experience** (with short bullet points)
- Education

Your CV should:

- Match the job ad
- Use keywords from the job ad
- Show what you can do for the employer
- Use clear and professional language

Save this page as part of your PDF.

Part 2: CV Decision Evidence (1 page)

On a new page, write **short answers** to the questions below.

A. Keyword Choice

Choose **3 keywords** from the job ad.

For each keyword, write:

- Where you used it in your CV (Profile / Skills / Experience)
- Why you used it there

Write **2–3 lines for each keyword**.

B. Bullet Explanation (3–4 lines)

Copy **one bullet point** from your Experience section.

Answer:

- Why is this bullet good for this job?
- Which one word in the bullet sounds professional?

C. Rewrite with Rules (3–4 lines)

Rewrite **one bullet point** from your CV.

Rules:

- Do NOT use numbers
- Do NOT use these words:
managed, helped, supported

After rewriting, answer:

- What did you change to keep it strong?

What to Submit

Upload **one PDF** with:

1. Tailored CV (1 page)
2. CV Decision Evidence (1 page)

Start working on your CV. Next session you will work on the cover letter and creating the LinkedIn profile. You'll submit all three items **combined into one PDF** in BBL.
